We are known as the "Sharks" and our colors are orange and white.

PETER C. CADDLE

Ht. 5'8", Wt. 158, Senior, Runningback and Nose Guard. I am hoping to go on to college to play football, run track and study law. I am a sprinter on Sheepshead Bay Track Team.

SOUTH SHORE H.S. BROOKLYN

MARTY SENALL, Coach

Assistant - Jerry Epstein, Charles Massaria, Al

Hoffstein, James DiBenedetto, Bob Fennell. U.S.M.E., 1964 and 1965, Assistant Coach in Lafayette High School, 1966 to 1970, Head Coach at South Shore High School from 1971 through 1976 with a record of 29-21-1. Championship in 1971 and City Finals in 1973.

The year 1976 was a disappointing one for the South Shore "Vikings". Although the school is only 6 years old, it has had a fine football beginning. This year's 3-6 record should be much improved next season as 15 positions on offense and defense were named by sophomores and seniors.

TONY A. BRYAN

Ht. 6'2", Wt. 185, Junior, Tight End. I'm 16 years old. I played tight end and linebacker and made the coaches All-Star Team and Honorable Mention for the "Daily News" All-Star Team.

SAWMILL JR. H.S. COMMACK

JAMES A. HOAGLAND, Coach

Assistant - Bill Tabel, Bob Schuster. 3 years as Head Coach 16-1-1; in 1974, 5-1-0; in 1975, 5-0-1; and in 1976, 6-0-0.

The Sawmill Football Team plays a 6 Game Schedule with other teams in Suffolk County or Long Island. A record of 6-0 for the 1976 Season has increased Sawmills undefeated streak to 17 games. Under Coach Jim Hoagland the Sawmill Defense has allowed only 3 touchdowns in the past 3 years.

PAUL MIRRO

Ht. 5'9", Wt. 160, Freshman, Offensive Fullback, Defensive Outside Linebacker. 6 games, 3 touchdowns, 300 yards rushing average, 10 tackles a game with an average of 60. Played every game offense and defense. I like to play all kinds of sports.

JOHN F. KENNEDY JR. H.S. DEER PARK

ROBERT C. SCHWARZ, Coach

Assistant - Robert Sullivan, Steve Jackson. Participated as an offensive guard and linebacker from 7th grade through freshman season at the University of Bridgeport. Was an Assistant Coach at New York Tech. 1973-1974 season, defensive backs and wide receivers. Head Coach J.F.K. 1975 and 1976; tied the school's best record.

During the 1975 Season as my 1st year as Head Coach, our team compiled a record which was the school's best since 1967 and tied the best record held that same season. During the freshman season, 1976, our starting quarterback moved up to Varsity for 3 games and led the team to victory with a 66-yard touchdown and a 56-yard punt return against another opponent. Many of our boys from last season participated on the school's Varsity this season and 3 more will move directly to the Varsity level next season.

KEVIN BAUGH

Ht. 5'9", Wt. 155, Freshman, Quarterback, Defensive Halfback. Kevin played on the Varsity Team this year as a Freshman at quarterback and defensive halfback. He ran for a touchdown off tackle for 66 yards and returned a punt for a

touchdown for 52 yards. An outstanding all-around athlete. Definitely All-American potential.

CHRIS A. DiPASQUALE

Ht. 5'3", Wt. 140, Freshman, Center and Linebacker. Christ was the returning starting center from last season. As one of our Tri-Captains, this season he controlled our defense on the field. Enjoys contact and is a tough competitor.

WILLIAM ELLIOT

Ht. 5'9", Wt. 160, Freshman, Halfback, Linebacker. Bill was one of our returning Lettermen from last season. An outstanding ball carrier this season averaging 6.8 yards a carry. He averaged carrying the ball 16 times per game. A real coachable and dedicated athlete. A top competitor and team leader with a good future.

WAYNE MARX

Ht. 5'9", Wt. 180, Freshman, Tackle. Wayne started both ways at offensive and defensive tackle. He blocked 4 punts, recovered 3 fumbles, sacks the opponents quarterback 10 times, and averaged 13 tackles per game. Offensively, he was our key blocker.

PAUL G. NEVEJANS

Ht. 6', Wt. 147, Freshman, Offensive End and Safety. Paul has tremendous amount of ability as a receiver and defensive back. He is fast, agile and very good hands. He caught 90% of all passes thrown to him this past season. He has an excellent future ahead if he continues to work hard at the sport.

Actually this rating could be Number 1 by the time this goes to
